**Our Retreat
Leader:**

The Revd. Dr. Peter Walker served in a parish in southern England for 4 years and later taught for many years at Wycliffe Hall, the evangelical seminary in the University of Oxford, before being appointed Professor of Biblical Studies at Trinity School for Ministry in 2012. His academic research was on the role of Jerusalem in biblical and Christian thought, and he has written several popular books on the New Testament, including *In the Steps of Jesus*, *In the Steps of Paul*, *The Jesus Way*, and *The Weekend that Changed the World*. He regularly leads Christian tours to the Holy Land and the Mediterranean.

The themes for our reflections during this weekend will be based on *In the Steps of Jesus*. During the 40 days of Lent it is appropriate to start by reflecting on Jesus' testing in the wilderness. We then travel with him up to Jerusalem, experience the dramatic events of Holy Week, and conclude by the walking with the Risen Jesus along the Emmaus Road. It is a familiar journey, but as we travel along this way together, our prayer is that Jesus will indeed come alongside us and we will find ourselves saying: "Were our hearts not burning within us as he talked with along the way?"
