**Fire: the Furnace of
Affliction**

Speaker

The Rev. Doug Blakelock

Rector, St. Matthew's Anglican Church

"I baptize you with water, but He who is mightier than I is coming, the strap of whose sandals I am not worthy to untie. He will baptize you with the Holy Spirit and with fire." (Luke 3:16)

As disciples of Christ we are eager to be baptized with the Holy Spirit, anticipating God's supernatural gifts. But what does it mean to be baptized 'with fire'? Why do we run from this? And why should we welcome this instead?
